Section 403(r) (6) Notification

Dear Sir or Madam:

In accordance with the requirement of section 403(r) (6) of the Federal Food, Drug and Cosmetic Act, **Leiner Health Products** notifies the FDA that it has begun using the following phrase and statement:

Say "goodbye" to stiff, achy joints† and hard to swallow pills!

Joint Health Drink Mix

Rapid Results-noticeable in just two weeks

Dual approach to maximize joint health

Contains unique nutrients, which have been shown to improve achy joints, mobility and range of motion. †

MicroLactin™ is a patented milk protein concentrate, which has been shown to support joint health by protecting joints from internal factors that irritate the joint.

Glucosamine is a building block for cartilage and joint tissue. It has been shown to help renew joint tissue and to maintain the cushioning space between joints. Just two servings provide the 1500 mg of Glucosamine effectively used in clinical studies.

Results shown in as little as 2 weeks, though benefits increase with longer usage.

†From common over-exertion and day-to-day stresses-when used as a long-term approach to improved mobility.
